## Rates/Season times/Regulations: Changes possible! Provisional Status as of 21/06/2023.

The prices listed here are based on calculations carried out in June 2023. However, actual developments of the key cost factors used in the calculation of these prices (e.g. energy costs, inflation etc.) cannot be estimated at present. For this reason, it is possible that the prices may need to be re-calculated in the event of corresponding increases. We therefore reserve the right to adjust the prices for ski passes at a later date – but of course not retrospectively after the purchase of a ski pass. In all cases, the price notified at this (later) date shall be payable. Otherwise we refer to our General Terms and Conditions of Business, which can be found at [www.skiarlberg.at](http://www.skiarlberg.at).
